

PAVIMENTO 

PACK WITH PURPOSE,  
PROTECT THE PLANET

# Overview

Pavimento is a trusted supplier of high-quality, eco-friendly packaging products for the HORECA (Hotel, Restaurant, and Catering) industry. We offer a wide range of items, including biodegradable and organic food packaging, kraft and paper products, aluminum foil items, and food processing supplies—all designed to meet the needs of modern food service businesses.

We focus on providing practical, safe, and sustainable solutions that help our clients serve food in a clean and responsible way. Our products are carefully sourced from reliable partners around the world to ensure great quality and value.

With a strong network and fast delivery service, Pavimento supports hotels, restaurants, cafés, and catering companies with everything they need to handle food and packaging efficiently—while also caring for the environment.

# Custom Labeling

At Pavimento, we also offer private labeling and custom printing services to help businesses showcase their brand on packaging. Whether you need your logo or a unique design printed on bags, cups, bowls, or other packaging items, we provide flexible solutions tailored to your needs.

Our goal is to help you create packaging that not only protects your food but also reflects your brand identity. From small cafés to large hotel chains, we work closely with each client to deliver personalized packaging that leaves a lasting impression on customers.

# Table of Content

# Kraft Paper Products

Bowls made of carton into shapes which are covered with a plastic transparent lid used to save food.
